Escorted Ride*

On December 6th 2018, Officer Michael Smith with the Henry County Police Department responded to a call for service where he tragically was shot in the head. Officer Smith fought a strong fight but unfortunately lost his life on December 28th 2018. He leaves behind his wife and son. This memorial ride is to remember the sacrifice that Officer Smith made and to also raise funds for the Smith family during their difficult time. 100% of what is raised will go directly to the Smith family. Let's come together to remember, raise funds and show the family our appreciation.

There will be a raffle prize for a Smith & Wesson M&P 15 Sport II announced at the end of ride. The rifle was donated by the 42 North Gun Range in Stockbridge, Ga
